CHAD Therapeutics Launches New Customer-Focused Web Site

Naples, Florida. (June 9, 2009). CHAD Therapeutics unveiled a new and improved web site today, making it easier for its customers to access the Company's product information and customer service functions.

"In addition to a wealth of product information, our customers now have 24-hour access to a number of Customer Service features online," commented Heather Anusbigian, Marketing Administrator for CHAD. "Faced with the myriad of issues challenging their businesses, we wanted to make it easier for our customers to do business with us."

Customers and prospects alike can download a wide array of information, from product features and benefits to instruction booklets and specifications. They can also begin the account setup process, place an order, request a warranty check or return authorization number and track their shipments...all at the touch of a button.

“We are committed to the continual advance of our site’s capabilities,” detailed Anusbigian, “so our customers can look forward to even more value-added features in the future.”

About CHAD Therapeutics/Inovo, Inc.

Founded in 1997, Inovo, Inc. quickly became a leading manufacturer of oxygen regulators and conservers for the private-label market. The Company’s products are sold through a national network of distributors servicing the home healthcare, EMS and hospital industries. Inovo acquired CHAD Therapeutics’ oxygen conserving assets in February of 2008, and completed the relocation of the Company to its Naples headquarters in June of the same year. Inovo retains the right to market and sell under the name of CHAD Therapeutics. CHAD Therapeutics is now located at 2975 Horseshoe Drive South, Suite 600, Naples, FL 34104. You can reach the Company by calling 800-423-8870, or visiting www.chadtherapeutics.com.
